

Young Life

March

This Month our local youth Group, Young Life, has been in full swing! We already have a regular attendance of about 30-35 teenagers from here in Marneuli. Most of them are Azerbaijani, but some of them are Armenia or Georgian. We had high hopes, but we had no idea that we would have so many young people attending so soon! We hope to continue to see more and more young people come to Young Life, so they can have a fun, safe space to meet other teenagers and hear the love of God. We meet every Sunday with the youth here and I am hopeful that I can start mentoring some of them more regularly throughout the week as well.

March Update

Spring Is Upon Us

It seems like a long time coming, but spring has sprung here in Marneuli. Although we did not have a bad winter, it is amazing to feel the sun on my face again!

Young Life!

My other Ministries (Missionary Kids Youth Group, Local Prayer Group, and Kurdish Church Ministries) have been going great as well! As spring has come, I feel like a new energy has fallen on me to keep pushing forward here in Marneuli. The Lord has blessed me with joy in the things that I am a part of here and I am so thankful for that. I know that God has me right where He wants me and is using me in the ways that He desires to us me.

Prayer Requests

1. **Young Life:** Pray that our Young Life youth group can be a safe space for local teens to come and enjoy building relationships with peers. Pray that we can display that light of Christ to these teens in building friendships with them and mentoring them.
2. **Kurdish Church:** Pray that this church would continue to grow. Pray for the pastor, Rezzo, that he would be filled with peace from God in knowing that he is doing the Lord's will.
3. **MK Youth Group:** Pray for the local Missionary Kids as many of them are growing into young adults and are nearing an age where they will have to make a lot of decisions. Pray for peace, wisdom, and courage over them.
4. **Language:** Pray for my team and I as we continue to learn language. This is an important process that will greatly affect what we do here. Pray that we can have understanding and that we are disciplined in learning.

Thank you all for your continued encouragement and support. Without you behind me, none of this would be possible! Feel free to reach out to me with the contact information to the left!
