## Do the Special work God has for you!

Hello mu dear Brothers and Sisters! I prau uou are staying safe and warm during these snowy and icy daus.

I hope you are utilizing this special season to spend more time reflecting on Scripture, growing closer to God. and closer to each other!

Remember God saw Adam alone and said it was not good. We are meant to journey together, to help each other, encourage each other, love one another, and to share each others hurdens

When you have a change of pace due to the weather I encourage you to use it as an opportunity for ministry. If you can help someone, then help. Shovel snow, share a jacket, call someone and check on them- let them know they are loved and that they matter.

You have wonderful, precious, delicious fruit. So let it be eaten! Trust where God has you and use your gifts to serve others to bring all the praise and glory to God!

Ephesians 4: 16

16 He makes the whole body fit together perfectly. As each part does its own special work, it helps the other parts grow, so that the whole body is healthy and growing and full of love.

Healthy and growing and full of love! All by following Christ as the head of our Bodu and by doing our own special works!
